

December 4, 2024

TIDES Project Stakeholders,

I am pleased to announce that at their December 4, 2024 meeting, the TIDES Board of Directors made two changes to the membership of the Board.

1. The Board accepted the resignation of Katrina Kaiser, from the California Department of Transportation, from the Board. Katrina served as an original member of the expanded TIDES board starting in December 2023. In their year of service on the Board, Katrina provided consistent and creative leadership. The Board and the entire TIDES community thanks Katrina for their ongoing contributions to our work.
2. The Board received the nomination of Evan Siroky, from the California Department of Transportation, to serve on the Board. The Board voted unanimously to accept Evan's nomination. Consistent with the TIDES Governance Policy<sup>1</sup>, Evan is appointed to the three-year term on the TIDES Board of Directors effective December 4, 2024. The Board and the entire TIDES community welcomes Evan to this role and thanks him for his willingness to contribute to our work.

Sincerely,

John Levin  
TIDES Board Coordinator
